## Emergency Contact Details Incident reporting

**In the event of an unplanned incident that is not a result of a collision, you need to call the following support numbers.**

**Call and inform the On site Manager phone number provided by OSM**

**Contact the RED head office number 01684 296677**

**Any incident that may involve a member of the public or yourself where you feel either party is in danger, please contact the Police on**

The **101 phone number** this is for local police in England, Wales, Scotland and Northern, stating your location details if known.

**In the event of a serious incident then the 999-emergency number** should be used, this will get you to a call handler who will direct your call to the required emergency service.

Any incident regardless of how big or small must be reported to the On site manager, who will then inform the area and general manager at the earliest opportunity.

Out of hours

Any incident outside of operating 07:00 to 20:00 hours the number on the first page should be contacted and then any reporting shall be done the following day
